LCS Visits Historic Sandusky

Lynchburg City School Dunbar Middle School visited Historic Sandusky on April 20, 2017. That day, Sandusky saw over 200 students from the middle school! While at Sandusky the students learned about archaeology, the house, and Lynchburg during the Civil War.

The students had a full day of history in Lynchburg and also visited Percivals Island, Point of Honor, the Quaker Meeting House, and Lynchburg Grows.

Digital History

During the spring semester, Historic Sandusky was awarded a grants by the Greater Lynchburg Community Trust for a digital history project. Many of Sandusky's historical manuscripts have been digitized and an curated. A number of Lynchburg College students gained hands on experience examining, cataloging, transcribing and finally creating a website using these documents.

In the photo above, Dr. Adam Dean works with students in his class to determine which of the documents should be used in creating the digital history website.

Above, Digital Archivist Cody Cole examines a document from the Bell Collection at Sandusky.

After examining the document it was scanned, catalogued, and added into

Congratulations Graduates!

Many of Sandusky's interns and student workers graduated recently. These students contribute to the running of Sandusky in many ways. They are:

Undergraduate:

Cody Cole(pictured) - Digital History
Ryan Creasy- Graphic Design Intern
Laura Meisner(pictured)- Digital History
James Robins- Laboratory Tech
Jennifer Seay- Laboratory Tech
Erin Sinsky - Digital History

Graduate:

Tracy Estelus- Graduate Assistant

Congratulations to all of the graduates!
